TRAFFIC LIGHT SYSTEM

Our school adheres to the Traffic Light System introduced by the Government in 2006. This policy places foods into categories based on a Traffic Light. Our menu must comply and consist of a minimum of 60% Green which are those foods considered to be a healthy option.

G - Green must predominantly fill the menu.

A - Amber must consist of carefully selected items and sales are to be limited.

R - Red Food & Drink considered to fit into this category are not allowed onto our menu.

If you select foods with the 'G' before them you know you are making a healthy choice.
