## Guidelines for Take Away Food from McDonalds

*These guidelines have been established to support the school's Healthy Eating programs.*

Students are not permitted to leave school grounds and visit McDonald's once they have entered school grounds in the morning.

Students are not to bring take away food to school in the morning.

Students are not to meet parents on the perimeter of the school grounds to be given take away purchases.

Students, who have take away food purchased for them, will eat it in an area designated by the school (ie. not in their regular eating areas, away from other students).

On Sports day/Special events, students should have their lunch pre packed or pre ordered from the Canteen. No take away food to be brought to the event.

Students will not be able to accept take away foods from parents whilst participating in school activities.

Food purchased from McDonald's is not to be used for class rewards.

Staff should not bring food from McDonalds into the school in front of students.
