

Truth, Pride & Friendship

RIVERSIDE PRIMARY SCHOOL

30th March 2020

Dear Parents & Caregivers

Thank you for your continued support with regard to the new online learning environment for our students working from home. Staff are currently working to prepare school resources to be made available by the end of this week for students to access. These will continue to be developed and messages will be sent out informing parents when new resources become available.

Please click the link to our school website for the current available online resources and learning information from the Department of Education: <http://riversideps.wa.edu.au/online-learning/>

The DoE website also provides support for parents and carers for students learning at home with handy tips for creating a home learning environment, suggestions for making a routine/schedule for your child's learning ensuring they include breaks and limiting technology time etc. Follow the link here to find more support: <https://www.education.wa.edu.au/learning-at-home>

We will continue to work together to ensure all families are catered for and wish to thank all our school families and the community for their continued support during this challenging time.

Kind Regards

Peter Dunning

Principal
