

RIVERSIDE PRIMARY SCHOOL

9th April 2020

Hello to all our Students, Parents, Carers and Families,

I hope this finds you all safe, well and happy.

These are certainly extraordinary times and while we miss our students terribly we understand that the government has made the decision to ask parents to keep their children at home at this time in the best interest of the whole community and to safe guard everyone's health in this incredibly difficult times.

Our teachers and staff have been feverishly working this week to create Learning From Home packages and Online Learning From Home for everyone starting day one in Term 2.

We have made the decision **to deliver each student's Learning From Home package directly to their door at your home on Tuesday 28th April 2020**. This will hopefully help everyone and reduce stress and worry about having to go and collect the work package from outside the school on Tuesday.

We will email and SMS text confirmation of the delivery on Tuesday morning to remind all our students to watch out for the team bringing their package to them.

While we are in this mode of students Learning From Home we will continue to deliver their work packages to them each Monday.

For students who are using the Online Learning From Home digital package this will be emailed to you each Monday and you are able to access this through the Connect – online learning program. An email invitation was sent to each parent to link in to the Connect Program.

Parents and students can also continue to access the school website "Online Learning Resources" through the holidays to have some fun activities to do during the holidays.

Our school has been quiet and, without your children not the same happy, fun and noisy place that it normally is. However, we know staying at home at this time is for the best to keep us all healthy and well.

I wish you all a safe, healthy and happy Easter and school holiday break and look forward to term 2 to offer you all a Riverside 'Learning From Home' education experience.

Stay safe, be kind and be well.

Kind regards,

Peter Dunning
