Friday 30th June
Last Day - Term 2

Dear Parents/Guardians

Well done to Miss Crawford and the choir for their rendition of "Love of The Common People" at last Friday's Student Council Assembly. It was a wonderful performance. Also, congratulations to the many winners of the 'Certificates of Outstanding Academic Achievement'. Our group of Student Councillors are doing a very good job working with Mrs Sloan.

iPad mini

Congratulations

to Holly McNear who won an iPad mini which was drawn at last week's Assembly.

Science Incursion

On Tuesday forty five students from Years 1-6 made treasure boxes as part of the Term 1 Science Class Reward. Thank you to the staff from Bunnings who worked with the children to create and paint their masterpieces. There was a great vibe in the room during the activity.

Easter Raffle

Once again the P&C Committee and a group of volunteers put together a fabulous Easter Raffle. Students who donated eggs had the chance to win prizes as well as students who purchased tickets. There were over 130 prizes distributed. Thank you to all who were involved in putting this annual event together.

Attendance

Certificates were given out to students who achieved 100% attendance this term. Students who have improved their attendance from last year also received certificates of improvement. This term our 'regular' attendance is up 2% from last year which is fantastic. We are on target to achieve our Semester One target of improved 'regular' attendance.

Holidays

This term has been a very busy one and I trust everyone will enjoy the upcoming two week break.

Final Words

I would like to take this opportunity to thank everyone in the school community for their support of the school and myself over the many years I have been here.

As I said at Friday's assembly, I thought I had the best job here when I was Deputy Principal but being Principal for six years has been a fantastic opportunity. I have thoroughly enjoyed my time here and will look back with many fond memories of working with such a supportive group of staff and students.

I wish everyone the best for the future.

Thank you
Deborah Bloor
Principal

On behalf of the Riverside Primary School community we thank you very much for your outstanding contribution both as Deputy and Principal.

Your commitment to the education of many students is valued. We wish you all the best for your new chapter in life. You will be missed by many.

Treasure the great memories of our school.

PP - 2 RIBIT Home Reading

Thank you to the families who are working hard with their children to reach their **50** night target. Could families please update their child's reading log so class teachers can award students with their certificates.

Holiday Reading – student reading logs do not go home during the holiday break. Counting will resume from the first day back in Term 2.

Please keep enjoying reading time together during the holidays.

Story Dogs Needed!

Our school would love to have this unique reading support program helping our students to become life-long readers.

The teachers love this program, the students can't wait to read and the program works!

- Do you have a dog that is well behaved, gentle and is happy around children?
- Can you spare a couple of hours a week?

Call or email Story Dogs so you can start helping children to become better readers.
