Learning Journey

It was fantastic to see so many families here yesterday visiting their child/children's classrooms. Children loved showing their family members the work they have been doing throughout the Term. Thank you for your attendance and support.

Science Excursion

Students who have excelled in Science this Term will be participating in a special excursion to Coodanup College this week. Well done to those students who were selected by Mrs Doggett – I'm sure your excursion will be an enjoyable experience.

Student Council Assembly

Tomorrow is our final Assembly for Term 3 where Certificates of Academic Achievement will be handed out. Well done to all the students who have been selected by their teacher for their excellent achievement this Term.

Swimming

Swimming lessons are next Term in Weeks 3 and 4 at the Aquatic Centre. I would encourage you all to send your child/children to these lessons as swimming is such an important life skill. Notes regarding your child's swimming levels will be sent home in Week 1 next Term.

Thank you for your involvement and support this Term and I wish everyone a very safe and relaxing holiday.

Thank you
Cherie Dobbs

FROM THE CANTEEN

Volunteers

URGENTLY Needed!

Pleased contact the canteen if you are available to lend a helping hand.

Any help is greatly appreciated!

MUFFINS

Due to concerns raised regarding muffins eaten before school, they will now only be available for recess & lunch. Students will be allowed to pre-order them in the morning before class to avoid disappointment.

Parents of Kindy & Pre-primary students will be allowed to purchase them before school as these students can't come to the canteen.

Thank you to Parent & students for your support with the canteen.

Have an enjoyable and safe holiday!
