

Dear parents and carers,

The weather is starting to warm up and our students have been able to get out to play areas and the oval to enjoy the sunshine, space and games at lunch and recess. This means that all of our students must wear a school hat when outside playing.

The new 'reversible faction colour' school hats have been very popular and as some students hats are looking the worse for wear, after some pretty hard attention from their owners, it is a good time to renew your child's hat and ensure they are sun-smart and meet the uniform school expectations.

Our year 6 students all attended a Day-Camp at Fairbridge Village participating in various confidence building and social-emotional activities in preparation for their graduation. It was a brilliant day with the boys and girls enjoying archery, rock climbing and several different trust and risk games with their peers. Thank you to the Year 6 team; Mrs Sloan, Mrs McKee, Mrs Mulgrave, Mrs Otway, Mrs Dobbs and the parent helper Mrs McConnell for all your hard work on the day. Thank you to Mrs Dobbs for organising the day with the Year 6 teachers. The students certainly got a lot out of the day and came back happy (and sweaty!).

The P&C hosted the opening of the revamped Recreation Room this week. Thank you to all who came. The students are enjoying the room every day. We are very lucky to have such an amazing space in our school.

With our fortnight focus on 'Giving a Fair Go' we discussed at our recent school assembly how important this value is, not only in our classes but also in our games and normal lunch/recess activities. Parents, this would be a good time to talk to your child at home about what a 'fair go' might look like at home as well, especially those with brothers and sisters!

We have our Kindergarten and Pre Primary Sports Carnivals coming up on Tuesday and Thursday next week, as well as our big, P & C Colour Run on Friday 2 November, starting at 2pm, so week 4 is

going to be a lot of fun and busy along with all our normal learning activities and lessons.

I urge all our parents to attend our Parent Workshop on our Positive Behaviour Support Program that is happening next Wednesday 31 October starting at 9am in the staff room. Tea and coffee and biscuits are supplied.

This workshop will be a great chance to learn about the schools new approach to Behaviour Management and have a say in building the 'Expectations of Student Behaviour' that is the foundation for the schools approach to student behaviour. We have a guest speaker attending, Mrs Sally Puzey, who is the Positive Behaviour Support expert consultant for the South Metro Regional Education Office to outline and describe the program for all parents. The time then will be spent working with the attending parents to create the Expectations of Behaviour for Riverside Primary School students. I hope to see you there.

With the end of the year looming quickly it is important for our boys and girls to keep up their effort and attitude for all the learning in class. Attending every single school day is a must to give themselves every chance for learning. Thank you parents for supporting your child's learning by making sure they keep up their attendance and their effort and attention.

Have a great week and I hope to catch up with you all at our Parents Positive Behaviour Support Presentation next Wednesday 31st October.

Peter Dunning

Principal

Riverside Primary School

Honour Certificates

Rm 1	Aaliya B Jach U	Rm 16	Blake R Natalia B

Responsibility, Care and Compassion

Important Dates

Tuesday 23 October	Year 6 Day Camp, Fairbridge
Tuesday 30 October	Kindy Sport Carnival
Thursday 1 November	PP Sport Carnival
Friday 2 November	P&C Colour Run

2019 Enrolments

Planning for 2019 is now underway, **if you are not** returning to Riverside Primary School in 2019 please let the school know at your earliest convenience

KINDERGARTEN PIRATE DAY

Miss Simlinger and her bunch of crazy pirates toured through the school this week hunting for treasure.

The Kindy pirates looked amazing and enjoyed the day full of pirate things.

Positive Behaviour Support Workshop

9.00am in the Staffroom - Wednesday 31 October 2018

Parents/carers are invited to attend a workshop on the Positive Behaviour Support Program currently being implemented in the 3 school. This is a great opportunity for parents to learn about the program and have input on our new approach to student behaviour management. We encourage everyone who is able to attend.
