Dear Parents/Guardians

Well done to Mrs Sharp’s Year 3 class who ran last week’s assembly. They put on an outstanding item consisting of poems and a song which they had learnt in such a short time. Also congratulations to students who received the first Honour Certificates for the year. Faction Captains, Student Councillors and Library Digital Prefects were also presented with their badges.

Meet and Greet
Thank you to those parents who participated in last week’s Meet and Greet session. It was very successful and was great to see so many parents interacting in different activities around the school. Also thank you to the P&C who were selling afternoon tea and for their continual support.

Term 1 Planner
The Term Planner has been sent home with students today. Please refer to this for upcoming events.

School Board
Due to several members leaving the school there is now a number of vacancies for Parent Representatives. If you would like to become a member please contact either Mr Douglas or myself for further information. This is an opportunity for you to be involved in the governance of our schools and is a vital component of being an Independent Public School.

Breakfast Club
Don’t forget this program is now up and running again for 2015. We have a group of very committed volunteers from the East Lake Church who run the club each Monday, Tuesday and Wednesday morning before school.

2015 Contributions
If you have not already done so, please consider paying the $30 per student school contribution. Although the contribution is voluntary, when we receive the payment the educational program of your child/children is enhanced. This is payable to the school front office and can be paid in instalments if needed.

NAPLAN
A brochure was sent home today to parents informing them of the assessments to be held with Year 3 and 5 students in May this year. If you would like further information or wish for your child to be withdrawn from the testing program please contact your child’s teacher of the office.

Insurance
Parents are reminded that students are not insured by the Government for accidents whilst at school. Should parents wish to have their children insured they should consult their insurance broker.
