

Dear Parents and Carers

Firstly, thank you to Ms McRae's Year 2/3 class who ran last week's assembly. While I was unable to attend last week, I have heard from staff that the children's item was well done.

Walking to School

Now that we are moving into Spring and warmer weather, it would be lovely to see more students and families walking to and from school. This will also assist in minimising the traffic with less cars trying to park around the school.

School Gates

As of today we are asking Parents and Caregivers to please close the school perimeter gates when entering or leaving the school between 9.30am and 2.00pm. This is for student safety. Please note that the large gate next to the cricket nets will no longer be open at any time. This is for contractor access only. Thank you for your support with this matter.

ESC Office Rebuild

Over the last few weeks of this term and next term, the Education Support Centre Office will be undergoing an upgrade. This will bring workman on site and the entry way to their Office will be closed.

This means the front car park will be extremely busy and I strongly urge parents and students to continue to refrain from using this area. Please be patient throughout this process. Thank you for your co-operation.

Future Events

Next week our Interschool Athletes are off to compete in the Interschool Athletics and Jumps and Throws events. This is to take place at South Halls Head PS. We wish them all the best!

Thank you to Mrs Jackson, Miss Hawkins and Ms Scott who have been working with the students. Go Riverside!

On Wednesday 20th September, from 3:15pm - 5:15pm, we are hosting our Annual Learning Journey. Parents, Caregivers and families are invited to come along to the school and view their child's work.

Thank you
Cherie Dobbs
Principal

Volunteers**

URGENTLY Needed!

Please come and see Trudy in our Canteen and fill out a form today.

Any help is greatly appreciated!

GOOD ATTENDANCE FOR SUCCESS

**Every Minute
in School Counts**

There are a number of children who are arriving at school each day after the siren.

Unfortunately, this is disruptive to the child who is late and to their class when they enter it late. Parents, please be mindful that important learning occurs at the start of the day.

Students need a regular going to bed and getting up time on school days to be at their optimum for learning. Ideally, primary students need to arrive at school 8:30am to prepare themselves for the day and to participate in their Ten a Day classroom activities.
