

2023 School Charges & Contributions

All schools are required to inform parents of all contributions and charges prior to the start of the new school year. These costs are divided into three areas: Voluntary Contributions, Personal Items (Student Requirements), Charges and other Optional Costs.

School Contributions

The financial support provided by parents plays a significant role in the provision of resources that extend the school's capacity to add value to students' learning experiences. Contributions are voluntary, however they do form an essential component of annual funding. The quality of our learning programs are therefore maximised when each family contributes. At Riverside Primary School, the voluntary contributions will be used to purchase supplementary materials and resources used in classrooms as detailed below.

2023 Voluntary Contributions	Amount
Numeracy	\$10.00
English	\$10.00
Digital Technologies	\$10.00
Digital Subscriptions	\$10.00
Total Per Student	\$40.00

Any parent with 3 or more students at the school is asked to pay \$100.00 per family.

Personal Item Requirements List

The recommended list of items for personal use is available on our website. All items are for personal use and reflect year level and student needs. These items can be purchased from any supplier.

Charges and Other Optional Costs

These amounts can vary from year level to year level. Students will only incur charges if they are involved in the named activity. The amounts below indicate the maximum estimated charge for each scheduled activity in 2023. Students can only participate if they have parent permission and have paid the charge.

Charges	K	PP	1	2	3	4	5	6
